

HELP TO GROW TERMS AND CONDITIONS

Offer commences May 10 2022

This offer cannot be granted to referrals who have referred the centre prior to the offer commencing on May 10 2022.

The offer is paid out in the form of credit on the bill payers account.

The value of the referral credit is \$500 per each new family that enrolls.

A referrer can refer more than one family but the referral fee is one per family, not per child.

Each child enrolled can only be referred to once by one person.

To be eligible, the 'Name of Referrer' section of the 'Contact Us' form on the centres website must be completed or the name of the referrer given to the centre when the new family enrolls. The centre must know the name of the referrer before the enrolment is completed and confirmed.

It is the enrolling families responsibility to inform the centre, before or at the point of enrolment to make claim for the two weeks free offer. Under no circumstances will claims be processed retroactively on enrolments already processed with no reference to a referring individual.

The minimum days per week for a child at the centre is 2 days. To be eligible for this offer, the referred child must enrol and meet the minimum enrolment days.

The two weeks free offer cannot be used in conjunction with any other offer (both for the referrer and the referred parent), unless otherwise specified by the centre. If a parent has received another offer with any number of free weeks, these cannot be added with this offer.

The two weeks free offer is redeemable after being enrolled at the centre for a period of 2 months and before 12 months from the commencement date. This may be used exclusively for holidays or planned absences i.e. the child is not in the centre. All redemptions of this offer must be confirmed in writing/email to the relevant Centre Director with a minimum notice period of two weeks.

Positions subject to centre availability.

Referred parents have no advantage or disadvantage in regard to successful placement at the centre.

The credit will be given to the 'The Referrer', the person who's name was given at the time of enrolment enquiry or when the family enrolls.

The referral credit will be payable to the referrer once the new child officially starts child care and after four weeks of attendance. No payments will be made before the enrolled child has started.

If the referred child's enrolment is terminated for any reasons between the commencement date and the date of credit to be issued, the credit will be forfeited.

This offer is not exchangeable or redeemable for cash or any other services.

This offer is not available to employees of the centre or their relative
